Supplementing my letter of 34 June 1949 to Brigadisr Seneral Schilt, I now have confirmed reservations for my trip to your headquarters mext menth. I shall leave Washington Menday, October 10th, at 5:30 pen. on 360 frain No. 5, which is scheduled to arrive in Chicago the following morning at 8:10 at Grand Coutral Station, and leave Chicago that afternoon on the 4:50 train to Washington.

It was very thoughtful of your Major MacGerrigle to call my office while he was in Washington last week to offer any accistance in connection with this trip; I should like to take advantage of the suggestion that transportation be arranged for me between the station and your headquarters, and I shall look for the driver either at the exit gate or at the information counter in the station.

Looking formed to being with you and your group on that day, believe me,
